The synthetic field at Strathfield Park ensures that the trials will proceed even in wet conditions. In the case of extreme weather (lightning), schools will be notified.

Please send **Stage 3** students who regularly play AFL (PSSA or club) and are of a representative standard. Please contact your relevant convenor if you have a Stage 2 student of that standard to discuss their eligibility. Only boys will be allowed to trial as girls have their own separate pathway.

Please scan and email the completed permission note to the supplied email addresses by Thursday, 20 February, 2025.

It is essential that the convenors have received the permission note AHEAD of the trials. No permission note = unable to trial.

Any students participating in these trials would need to be available for the Sydney East PSSA Regional AFL Championships on Tuesday, 11 March 2025 at Wagener Oval (2 Whitfield Ave Ashbury) from 9.00am-2.30pm approximately. Students selected in the SEPSSA team will compete in the NSW PSSA State Championships from 4 June - 6 June, 2025 in Blacktown.
